PLASTIC

Overall Dimensions: 800 x 400 mm

STAINLESS STEEL

Overall Dimensions: 800 x 375 mm

Mix & Match

Bedside lockers are among the most visible pieces of furniture in a patient room, making their finish an important part of the overall environment. Our range offers a wide selection of colours and finishes, allowing hospitals to create spaces that are both functional and visually cohesive.

Choose from wood, plastic, or steel top options, with a variety of colours and finishes to suit different room aesthetics, hospital environments, and design requirements.

Designed to complement the room, not simply occupy it.
