## STEP 2

## Choose Your Top

## OVERVIEW &amp; SPECIFICATIONS

## WOOD

A timeless, versatile choice combining everyday practicality with a warm, professional appearance. Available in a wide range of colors and finishes.

Overall Dimensions: 800 x 375 mm

## PLASTIC

Lightweight and easy to maintain, with a modern appearance and excellent hygiene characteristics. Ideal for busy clinical settings.

Overall Dimensions: 800 x 400 mm

## STAINLESS STEEL

Designed for robustness — exceptional durability, corrosion resistance, and a premium brushed finish for long-term performance.

Overall Dimensions: 800 x 375 mm

## Mix & Match

At Strongman Medical Products, we understand that no two healthcare environments are the same, which is why our Overbed Table range is designed to be fully configurable.

Select from a variety of base mechanisms, tabletop options, colors, and finishes to build the combination that best fits your needs — whether your priority is durability, hygiene, aesthetics, or ease of use.
